Memorandum Order

No. 31

Series of 2020

SUBJECT : AMENDMENT TO THE MEMORANDUM ORDER NO. 19, SERIES OF 2020, OR THE "IMPLEMENTING GUIDELINES FOR THE RICE RESILIENCY PROJECT"

This Memorandum Order shall supplement the provisions on the issued guidelines on the fertilizer component of the Rice Resiliency Project (RRP).

This amendment shall provide the alternative mechanisms on the fertilizer assistance component of the RRP thru a "reimbursement scheme". This guideline enables rice farmers to avail of the assistance on fertilizers they procured/sourced.

Area of Coverage

This supplemental guideline is intended for regions/provinces where no fertilizer suppliers were awarded during the public bidding or negotiated purchase of urea fertilizers conducted by the DA-Central Office from April to June 2020. The purpose is for farmers to facilitate the acquisition of the production support in order to use the fertilizers on time.

The areas covered are CAR, Ilocos Region (Ilocos Norte only), MIMAROPA, Bicol Region, Eastern Visayas, Zamboanga Peninsula, Northern Mindanao, Davao Region, SOCCSKSARGEN (except North Cotabato), CARAGA, BARMM and all other regions/provinces which maybe included later for reasons described above (Annex 1-A).

General Guidelines

- I. The general master list of rice farmers prepared by the Office of the Municipal/City Agriculturist (MA/CA) indicating their rice hectarage shall be used as reference. The master list shall likewise categorize the farmers to fit them to the following RRP sub-projects.

The said master list shall be duly certified by MLGUs thru MA/CA and validated by the PLGU thru the Provincial Agriculturist to be submitted to DA-RFO.

- II. The DA-Regional Field Offices (RFOs) shall cross check the masterlist with the Registry System for Basic Sectors in Agriculture (RSBSA) to determine the registered farmers. DA-RFOs will provide to the concerned Local Government Unit (LGU) through MA/CA office the list of farmers not in the RSBSA for further validation/confirmation and registration in the RSBSA. Farmers not registered in the RSBSA will have to enroll to avail of the fertilizer assistance.
- III. LGU shall mobilize their agricultural extension workers to register all the farmers to the RSBSA.
- IV. All rice farmers in the master list shall buy/source out the urea fertilizer requirement for their farm, which should not be less than the volume prescribed per hectare by the program. Farmer beneficiaries shall buy fertilizers from dealers accredited by the Fertilizer and Pesticide Authority (FPA) and demand a valid-BIR registered sales invoice/official receipt to be presented during the reimbursement of fertilizer support as proof of purchase. Procurement of fertilizers to be valid for reimbursement shall be within the CY 2020 wet crop season (March 16, 2020 to September 15, 2020). The amount of assistance based on rice area planted will be as follows:

A. RCEF Enhanced Sub-Project and Expanded Inbred Rice Production Sub-Projects

<u>Area (ha)</u>	<u>Farmer's assistance</u>
≤ 0.75	Buy 2 bags, get reimbursement good for 1 bag
> 0.75 to 1.25	Buy 4 bags, get reimbursement good for 2 bags
> 1.25 to 1.75	Buy 6 bags, get reimbursement good for 3 bags
> 1.75 to 2.25	Buy 8 bags, get reimbursement good for 4 bags
> 2.25 to 2.75	Buy 10 bags, get reimbursement good for 5 bags
>2.75 to 3.0	Buy 12 bags, get reimbursement good for 6 bags

B. Expanded Hybrid Rice Production in Suitable Areas Sub-Project

<u>Area (ha)</u>	<u>Farmer's assistance</u>
≤ 0.75	Buy 2 bags, get reimbursement good for 1.5 bags
> 0.75 to 1.25	Buy 5 bags, get reimbursement good for 3 bags
> 1.25 to 1.75	Buy 7 bags, get reimbursement good for 4.5 bags
> 1.75 to 2.25	Buy 10 bags, get reimbursement good for 6 bags
> 2.25 to 2.75	Buy 12 bags, get reimbursement good for 7.5 bags
>2.75 to 3.25	Buy 15 bags, get reimbursement good for 9 bags
>3.25	The amount of assistance to be reimbursed will be proportional to the area planted

Farmers who planted good seeds (GS) or farmer's home save seeds will still be included in the program provided that they are included in the general masterlist of rice farmers and are registered under RSBSA.

The objective of the fertilizer assistance is to ensure optimum yield, hence, the farmers must endeavor to satisfy the total urea fertilizer required for their rice farms. Other forms of fertilizer required based on the soil test of the farm should also be provided by the FB. Masterlist of farmer beneficiaries eligible for the fertilizer assistance thru the reimbursement scheme is shown in FA Form 1, certified correct by the MA/CA, concurred by PA and PAFC, and verified by DA-RFO and RAFC.

For farmers who have availed of urea fertilizers from other programs (i.e. LGU-led/private sector-led programs/projects), they shall present a certification issued by the implementing institution, indicating the number of bags received. This support shall be considered as part of the farmers' "buy" counterpart. Farmers shall buy additional fertilizer requirements that can be used to claim the RRP assistance.

Any other deviation from the "buy" portion should be approved by the national office indicating the technical basis.

- V. The amount to be reimbursed by the FB will be based on the actual acquisition cost of the fertilizer as shown in the sales invoice/receipt. If the cost of the fertilizer to be reimbursed is higher than the national average monitored by the FPA for the month of June 2020, the amount to be reimbursed will not exceed the national average price (attached as Annex 2).
- VI. Rice farmers may claim their fertilizer subsidies in two (2) ways:
 - 1) Through Farmers' Cooperative Association (FCAs)
 - For areas with DA-accredited rice-farmer FCAs
 - Rice farmers who are bonafide members of the DA-accredited FCAs
 - Detailed guidelines attached as Annex 1-B
 - 2) Through direct assistance to farmer-beneficiaries
 - Rice farmers not belonging to any DA-accredited cooperative and those opted to avail of the assistance individually.
 - Detailed guidelines is attached in Annex 1-C
- VII. MA/CA shall validate the authenticity of the documents presented and shall submit a validated master list with a working mobile number of the listed farmer

to DA-RFO, together with the pertinent documents serving as proof for fertilizer acquisition i.e., BIR approved sales invoice/receipt from FPA accredited fertilizer dealer.

- VIII.** DA-RFOs shall endorse the verified list of farmer-beneficiaries to the DA-Information and Communications Technology Service (ICTS) for the processing of assistance.
- IX.** DA shall enter into a Memorandum of Agreement (MOA) with a Government Financial Institution (GFI) that will facilitate the payment of assistance to farmers and farmer-cooperatives.
- X.** DA-ICTS, through the DA- Field Operations Service (FOS), shall endorse to the GFI the list of farmers/coops with the corresponding unique transaction reference number. The file shall be endorsed through s Secured File Transfer Protocol. DA-FOS shall then facilitate the fund transfer to the DA-RRP Fund the corresponding amount indicated in the payroll.
- XI.** GFI/Disbursing Conduit shall provide a unique transaction reference number to farmers via SMS. These transaction codes shall be used by the farmers to claim the assistance from designated partners, provided that:
 - Farmers must present any valid non-expired photo-bearing ID.
- XII.** The partner GFI shall provide the monthly liquidation report to DA-Accounting Division, through the DA-FOS, based on the template required by the DA.
- XIII.** Monitoring and Evaluation. The DA-RFO shall spearhead the implementation, monitoring and evaluation of the fertilizer assistance sub-project in coordination with the PLGU, MLGU and the private sector (AFCs). DA-RFOs shall mobilized their AFCs to assist in the monitoring of the said sub-project. Signatures of PAFC, or RAFC representative shall attest to the veracity of the master list. Farmer beneficiaries' (FB) recipient of the fertilizer assistance shall be published at the Municipal/Provincial Agriculture Offices, and at DA Regional Offices website.

Further, Section V of the Memorandum Order No. 19, Series of 2020, Roles of Participating Agencies/Units, is amended to include the following:

A. DA

A.1. Opening of Funding and Service Fees Accounts

DA shall open and maintain a "DA - Rice Resiliency Project Fund" and

"DA- Rice Resiliency Service Fee" Accounts in the partner GFI where the program funds and service fees shall be settled;

DA shall authorize GFI to debit the program fund the amount of assistance to farmers and the corresponding service fees.

A.2. Preparation of Disbursement File and Funding

DA-ICTS shall prepare the disbursement files in prescribed credit file format for the RRP with complete details and transmit the same to GFI via a secured electronic interface, file transfer, or any form of transmission as may be agreed upon by and among implementing partners within ten (10) working days before the actual payout;

DA-FOS shall instruct GFI through an official letter to debit the DA – RRP Fund account and disburse to the farmer-beneficiaries.

In case of rejected accounts, DA shall send a new set of payroll files for the rejected accounts through any secured electronic interface, file transfer, or any form of transmission as may be agreed upon by and among implementing partners to GFI at within ten (10) working days before the actual credit date.

A.3. Payment of Service Fees

DA shall pay corresponding service fees as agreed upon by DA and partner GFI as payment for services.

B. GFI shall:

1. Act as DA's partner in the payment of assistance claims to RRP beneficiaries in accordance with the agreed rules and regulations. Procedures set with the DA, as detailed in the attached Annexes 1-B and 1-C which are included as integral parts of this Agreement;
2. Open and maintain a Savings Account for DA's RRP Fund where the program funds and service fees shall be settled;
