**HOUSE BILL NO. \_\_\_\_\_**

**INTRODUCED BY :**

The Department of Agriculture (DA), under the Annual General Appropriations Act (GAA) has been funding farm-to-market road (FMR) projects which are directly released by the Department of Budget and Management (DBM) to the Department of Public Works and Highways (DPWH) for implementation based on the priority lists identified and submitted by DA. One of the major constraint and bottleneck encountered in the identification, prioritization and implementation of FMR projects is the required counterpart funding from the Local Government Units under Section 52 of Republic Act No. 8435 or the Agriculture and Fisheries Modernization Act of 1997.

The Local Government Units (LGUs) at the municipal and barangay levels particularly those belonging to low income class (4<sup>th</sup> to 6<sup>th</sup> class) do not have the budgetary resources to provide the necessary counterpart for FMR identified and prioritized. Thus, they are deprived of the benefits of FMRs. Along this, there is a need to immediately waive these counterpart requirement by amending Section 52 of RA No. 8435.

Hence, the swift passage of this legislation is earnestly sought.
