ADMINISTRATIVE ORDER NO. 01
Series of 2021

SUBJECT : GUIDELINES ON THE PROCESSING OF THE COMPREHENSIVE REQUEST FOR AUTHORITY TO PURCHASE GOVERNMENT MOTOR VEHICLES FOR THE PRIORITY PROGRAMS OF THE DEPARTMENT OF AGRICULTURE (DA) AND ITS REGIONAL FIELD OFFICES (RFOs)

WHEREAS, the Office of the President (OP) and the Department of Budget and Management (DBM) issued several guidelines on the acquisition and use of government motor vehicles to promote transparency, efficiency, and public accountability on the utilization of government funds while recognizing the indispensability of motor vehicles for efficient and effective performance and delivery of essential government services.

WHEREAS, as stipulated in the OP Administrative Order No. 14-2018, and the Budget Circular Nos. 1-2017, 2-2019, and 3-2019 of the DBM, motor vehicles shall refer to any self-propelled, four-wheeled vehicles, motorcycles, delivery trucks, heavy equipment, all-terrain vehicles, armored vehicles, special-purpose vehicles, aircraft, motorized boat and seacraft, and the like.

WHEREAS, to ensure prudence in the utilization of funds allotted to motor vehicles, the above issued guidelines identified approving authorities for the different offices of the government. For the departments and its bureaus and attached agencies and corporations, approval of the Authority to Purchase is through the Secretary of DBM.

WHEREAS, the Department of Agriculture (DA) through the Regional Field Offices (RFOs), is implementing agricultural mechanization projects where motor vehicles are procured including four-wheeled machinery and equipment such as but not limited to tractors, self-propelled/truck-mounted drilling rig, forklifts, truck-mounted sprayers, and hauling vehicles utilized for agricultural purposes.

WHEREAS, due to the considerable number of DA projects and procuring DA-RFOs, the DBM recommended the consolidation of requests for Authority to Purchase Motor Vehicles (APMV).

NOW THEREFORE, to facilitate the timely issuance of APMV, this Administrative Order is hereby promulgated and issued by the DA which will serve as reference of the

DA-RFOs on the process to be followed and the corresponding documentary requirements towards a comprehensive request.

SECTION I. RATIONALE

The DA is implementing agricultural mechanization projects where the agency procures motor vehicles including four-wheeled machinery and equipment such as but not limited to tractors, self-propelled/truck-mounted drilling rig, forklifts, truck-mounted sprayers and hauling vehicles utilized for agricultural purposes.

Based on the definition of motor vehicles in the issuance of the OP and the DBM, followed by the series of discussions with the DBM, any motor vehicles for the transport of personnel, equipment, supplies, products, and materials will be covered by the issuances. Considering the projects of the DA, any type of road vehicles, machinery and equipment integral or mounted on four-wheeled road vehicles, motorcycles and motor boats will be subjected to the approval of the request for Authority to Purchase. On the other hand, other farm machinery such as planters, crawler-type combine harvesters, dryers and the like will no longer need an authority from the DBM prior to procurement.

While there are limited types of machinery and equipment that are subjected to the OP and DBM issuances, the DBM recommended the consolidation of requests for APMV since the DA has various implementing offices.

Thus, to facilitate the timely issuance of the APMV, this Administrative Order will serve as guide of the DA-RFOs on (i) the process to be followed; and (ii) the corresponding documentary requirements for a comprehensive request.

SECTION II. OBJECTIVES

The guidelines aim to expedite the processing of the request for the Authority to Purchase Government Motor Vehicles for the priority programs of the Department of Agriculture (DA) and its Regional Field Offices (RFOs). Specifically, the Administrative Order aims to:

- 1) Provide immediate reference for the DA and its RFOs on the prescribed procedures in processing the request for APMV;
- 2) Facilitate consolidation of requests from DA and its RFOs towards a more comprehensive request to be submitted to the DBM;
- 3) Facilitate timely issuance of the APMV as requirement for procurement; and

- 4) Identify clear delineation of duties and responsibilities between concerned offices and desired outputs from each of the processes identified.

SECTION III. SCOPE

The Guidelines will cover the activities involved from the preparation and consolidation of requests for APMV from DA and its RFOs and the subsequent release of the approved APMV from the DBM.

A. Implementing Offices

The DA's Comprehensive Request for APMV will include requests from the DA and its RFOs thru the implementing units of the priority programs, to wit:

1. Rice Program;
2. Corn Program;
3. High Value Crops Development Program;
4. Livestock Program;
5. Organic Agriculture Program;
6. Special Area for Agricultural Development Program;
7. Halal Food Industry Development Programs;
8. Regional Agricultural Engineering Division (RAED)-Mechanization Programs;
and
9. Other Priority Programs not stated herein.

On the other hand, requests from Bureaus, Attached Agencies, and Corporations will not be included in the consolidation process but shall still be endorsed to the DBM thru the DA Secretary consistent with applicable rules, regulations, and laws.

B. Type of Motor Vehicles

The type/classification of motor vehicles that will be covered by the comprehensive request for APMV will include but will not be limited to the following:

10. Four-wheeled Tractors;
11. Self-propelled/Truck-Mounted Drilling Rigs;
12. Hauling Vehicles/Trucks;
13. Four-wheeled Forklifts;
14. Truck-mounted Sprayers;
15. Motorcycles;

16. Motorized Banca/Boat;
17. Four-wheeled Harvester with or without Baler/Forage Chopper; and
18. Other machinery and equipment integral/mounted on four-wheeled road vehicles.

For new types of motor vehicles, machine, or equipment to be procured, Annex A of the DBM Budget Circular No. 1, Series of 2017 may be visited for reference, which contains the typology of government motor vehicles and their corresponding classification and specifications.

C. Project Appropriations

The comprehensive request will include motor vehicles to be procured under the following services implemented by the DA and its RFOs thru the implementing units of the priority programs:

1. Production Support Services (PSS);
2. Extension Support, Education, and Training Services (ESETS); and
3. Agricultural and Fisheries Machinery, Equipment, and Facilities Support Services (AFMESS)

Meanwhile, as provided by Section 5.0 of the DBM Circular 2019-3, the confirmation letters issued by the DBM to the agencies to confirm their respective budgets included in the National Expenditure Program (NEP) shall serve as their "authority to purchase motor vehicle/s" or APMV, provided that said letter, or its attachment, contains the following information, among others:

1. Intended use and/or user;
2. Quantity;
3. Cost; and
4. Motor vehicle classification and specifications.

On the other hand, an APMV from the DBM shall still be required in the following special cases:

1. The funding for the motor vehicle to be acquired are from prior years' appropriations;

2. The confirmation letter referred to in Section 5.1 hereof did not provide the details of the motor vehicle/s for acquisition, such as those issued to GOCCs without budgetary support from the National Government, and SUCs;
3. The government entities were not issued confirmation letters referred to in Section 5.1 hereof during the budget preparation phase, such as in the case of LGUs; and
4. The acquisition of motor vehicle/s by the agency will deviate from the details in the confirmation letter, e.g., change in intended use and/or user, and/or specifications.

For motor vehicles approved under the Sub-object Classification of Donation, where the fund will be transferred to an implementing office outside the DA, the processing of the APMV shall be undertaken by the DA-RFO concerned and its implementing units as a requisite of the procurement process and inherent obligation of the donor agency, consistent with OP and DBM issuances and other applicable rules, regulations, and laws.
