Secretariat: Representative, Bureau of Agriculture and Fisheries Standards (BAFS)
Representative, National Meat Inspection Service (NMIS)
Representative, Bureau of Animal Industry (BAI)

The TWG shall have, but not limited to the following duties:

1. Review current food safety polices including the conduct of inventory of all existing pertinent regulations relative to veterinary drug residues;
2. Formulate and recommend policies relative to veterinary drug residues;
3. Harmonize existing programs on veterinary drug residues control being implemented by various regulatory and research agencies and international organization (e.g. CODEX).
4. Formulate comprehensive and sustainable long term NVDRCP involving other government agencies, livestock, poultry, fishery, and feed milling industry groups/associations;
5. Perform other duties as directed by the Executive Committee.

The TWG shall be the venue for discussion of relevant issues and concerns on veterinary drug residues as it relates to food safety and public health.

Expenses relative to the performance of actual duties and responsibilities of the TWG members, which may include transportation, per diem, food and accommodation shall be charged against available funds of their respective agencies, subject to the usual accounting ruled and regulations.

This **Order** shall take effect immediately and shall remain in force and effect until otherwise amended or revoked in writing. Any order inconsistent herewith is deemed revoked.

Done this 16th day of April 2021

WILLIAM D. DAR, PhD
Secretary
