**MEMORANDUM ORDER**

No. 38  
Series of 2022

**SUBJECT: AMENDMENT TO MEMORANDUM ORDER No. 32, SERIES OF 2022, "Implementing Guidelines for the Distribution of High-Quality Seeds (Hybrid and Certified Seeds) under the National Rice Program"**

For a more efficient implementation of the distribution of high-quality seeds to farmers, Item C. Selection of Farmer-Beneficiaries under Part IV. Implementation Plan in Memorandum Order (MO) No. 32, Series of 2022 or the Implementing Guidelines for the Distribution of High-Quality Seeds (Hybrid and Certified Seeds) under the National Rice Program, is hereby amended, to read as follows:

**IV. IMPLEMENTATION PLAN**

**C. Selection of Farmer-Beneficiaries**

- iv. Farmers with landholdings of more than two (2) hectares may also be provided with the support.** However, in cases where the allocation of the DA-RFO is not enough to cover the requirements of the entire rice area, the quantity of seeds to be provided to farmers with landholdings of more than two (2) hectares will be apportioned based on available seed supply. This will be done in order to maximize the number of beneficiaries. The allocation per farmer may be set by the DA-RFO and effected through a supplemental guideline.

All other provisions in MO No. 32, Series of 2022 remain in order.

This Memorandum Order shall take effect immediately and shall remain in force unless revoked in writing. All orders, memoranda, and other issuances inconsistent herewith are deemed revoked.

Done this 20th day of May 2022.
