DEPARTMENT ORDER

NO. 01

Series of 2023

SUBJECT : INDIVIDUAL ACCREDITATION OF SIX (6) FOREIGN MEAT ESTABLISHMENTS (FMEs) OF TAIWAN AS EXPORTER OF PORK INTO THE PHILIPPINES

WHEREAS, Department of Agriculture (DA) Administrative Order (AO) No. 16 Series of 2006, otherwise known as the Pre-Border Measures for the Export of Meat and Meat Products to the Philippines, provides for the procedures and guidelines in the accreditation of Foreign Meat Establishments (FMEs) producing meat and meat products for export to the Philippines;

WHEREAS, in response to the **Government of Taiwan's** application for system FME accreditation, the Department of Agriculture Inspection Mission (DAIM) was conducted to assess the veterinary services, animal health and food safety control of **Taiwan** on September 8 – 22, 2022 (inclusive of travel time and quarantine);

WHEREAS, based on the DAIM's final report, the **Government of Taiwan** has complied with the requirements provided in the Terrestrial Animal Health Code (TAHC) of the World Organisation for Animal Health (WOAH) and relevant Philippine Standards;

WHEREAS, the six (6) FMEs were inspected/audited by the DAIM, and all six (6) FMEs were found to be compliant with the Philippine quarantine and meat inspection systems procedures;

WHEREAS, after thorough evaluation, the application of six (6) pork FMEs by the **Government of Taiwan** for accreditation to export **pork** into the Philippines have been found to be satisfactory;

WHEREAS, the Accreditation Review Body (ARB) recommended the **individual accreditation** of the **six (6) FMEs of the Government of Taiwan to export pork** with the corresponding meat items according to ASEAN Harmonised Tariff Nomenclature (AHTN) are as follows:

NOW, THEREFORE, I, DOMINGO F. PANGANIBAN, Senior Undersecretary of the Department of Agriculture, by the powers vested in me by law, do hereby issue this Order of Individual Accreditation to the abovementioned **six (6) FMEs** in the **Government of Taiwan** to **export Pork** into the Philippines for **three (3) years** effective **January 3, 2023** until **January 3, 2026** with full compliance to existing regulations and conditions provided in this Department Order and its Annex hereby set forth.

This ORDER shall take effect 15 (fifteen) days after the publication in one (1) newspaper of national circulation or Official Gazette and filing of a copy at the Office National of the Administrative Registrar (ONAR) at UP Diliman, Quezon City.

Done this 20th day of January 2023.

So Ordered.

DOMINGO F. PANGANIBAN

DA-CO-USECPP-MO20230109-00001

ARTICLE I SCOPE AND DEFINITION OF TERMS AND ACRONYMS

Section 1. SCOPE – This Circular shall govern the importation of **pork** from the **Government of Taiwan**.

Section 2. DEFINITION OF TERMS – *For the purpose of this Circular*, the following terms, words, and phrases *herein used* shall be construed to mean as follows:

- a. **Animal production food safety** shall cover the programs for the control of biological hazards of animal health and public health importance through ante- and post-mortem inspection.
- b. **Animal traceability** shall cover animal identification and traceability for the purpose of management of disease outbreaks and food safety incidents, vaccination programs, zoning and compartmentalization, surveillance, early response, and notification systems, animal movement controls, and inspection and certification procedures.
- c. **Animal welfare** shall cover practices in the humane handling of animals during transport, the slaughter of animals for food, and the killing of animals for disease control.
- d. **Antimicrobial resistance** covers the surveillance and monitoring programs, taking into consideration the responsible use of antimicrobials in terms of quantities in animal husbandry and veterinary medicine.
- e. **Competent Authority (CA)** means the Veterinary Authority or other Governmental Authority of a Member Country having the responsibility and competence for ensuring or supervising the implementation of animal health and welfare measures, international veterinary certification and other standards and recommendations in the Terrestrial Animal Health Code of the World Organisation for Animal Health (WOAH).
- f. **Diagnostic tests for specific diseases** shall cover specific diagnostic tests adopted as recommended by the Code.
- g. **Disease Surveillance** covers the established surveillance systems for animal diseases to determine the animal health status of the country, providing information on the declaration of freedom from a disease/pathogen in relation to the date of most recent occurrence, and for recognizing historical freedom.
- h. **Equivalence** covers the recognition of significantly different animal health and production systems that can provide equivalent protection for the purpose of international trade.

Republic of the Philippines
OFFICE OF THE SECRETARY
Elliptical Road, Diliman
1100 Quezon City

- i. **Import/ Export procedures** as provided in section 1.4 of the Terrestrial Code cover the animal health measures applicable before, at departure from the exporting country, in transit and upon arrival to the importing country, covering animal identification, border and quarantine stations, and containment of pathogens during transport. This shall also cover the import requirements provided in the DA-Administrative Order No. 16 series of 2006, otherwise known as the Pre-Border Measures for the Export of Meat and Meat Products to the Philippines.
- j. **Import risk analysis** shall cover hazard identification, risk assessment, risk management, and risk communication and guidelines for conducting risk analyses.
- k. **Notification and epidemiological information** provide the obligation of the exporting country as the OIE member country to make available whatever information is necessary to minimize the international spread of important animal diseases.
- l. **Obligations and ethics in international trade** cover the responsibilities of the exporting country to make available up-to-date health information, and export regulations, and provide accurate health certification.
- m. **Zoning and compartmentalization.** **Zoning** as provided by the WOAHP Terrestrial Animal Health Code shall cover animal sub-population defined on a geographical basis with reference to natural, artificial or legal boundaries, while **compartmentalization** applies to animal sub-population defined by management practices related to biosecurity. Information on the established management of both shall be provided such as veterinary services.

Section 3. CONDITIONS TO MAINTAIN ACCREDITATION OF FOREIGN MEAT ESTABLISHMENTS

- 3.1 The following documents and/or information must be updated and submitted by the CA of the **Government of Taiwan** to the Philippine Department of Agriculture not later than January 31 of the following year.
 - 3.1.1 The Animal Health Status as provided and issued in conformance to the Terrestrial Animal Health Code of the WOAHP. This shall include updated information on:
 - a. Notification and epidemiological information
 - b. Obligations and ethics in international trade
 - c. Import risk analysis
 - d. Equivalence
 - e. Import/ Export procedures
 - f. Zoning and compartmentalization
 - g. Diagnostic test for specific diseases

- j. Disease surveillance
 - k. Animal production food safety
 - l. Animal traceability
 - m. Antimicrobial resistance
- 3.1.2 The official Annual report of the CA of the **Government of Taiwan** on the Monitoring Program for Veterinary Drug Residue (VDR).
- 3.1.3 The official Annual report of the CA of the **Government of Taiwan** on Monitoring Program for Pathogens and/or pathogen reduction.
- 3.2 Animal Health Status and Disease Freedom
- 3.2.1 The CA of the **Government of Taiwan** shall submit a copy to the DA of its animal health status annual report, residue of veterinary drugs monitoring report, and other food safety concerns to include product recalls and advisories.
- 3.3 Meat establishment requirements
- 3.3.1 The meat establishment must be listed as a duly registered meat establishment authorized by the **Government of Taiwan** through their CA to export **pork** products into the Philippines.
- 3.3.2 The meat establishment must maintain eligibility to the above mentioned registry with reference to government sanitary and veterinary inspection, GMP/SSOP and HACCP certification, subject to verification audit of the Philippine Department of Agriculture Inspection Mission (DAIM) any time within the validity period, without incurring any critical or serious non-conformance/s in which such condition or practice prevents proper plant sanitation, may result in the production of unwholesome product, presents a threat to health and safety of consumers, and compromises general food safety.
- 3.3.3 The meat establishment must make available all pertinent documents necessary in the conduct of audits by the DAIM pertaining but not limited to operational concerns on safety of water and ice, condition and cleanliness of food contact surfaces; prevention of cross contamination; hand washing and sanitizing and toilet facilities, protection of food, packaging and food contact surfaces from adulteration with contaminants; labelling and storage/ and use of toxic compounds; employees health conditions; exclusion of pests from the ME; calibration of measuring tools; equipment and other structural facilities.

3.4 Export requirements

- 3.4.1 The meat for export must be derived from healthy animals and slaughtered, fabricated, processed in the meat establishments as provided in the provisions of 3.3.1, and inspected and passed for export by the official veterinarian of the CA of the exporting country.
- 3.4.2 The source of meat for export shall be from animals born and raised in **Taiwan or from a country/zone accredited by the Philippines to export meat into the Philippines.**
- 3.4.3 The meat must not be contaminated by infectious and zoonotic diseases and not exceed the acceptable level set by the Philippine standards and/ or international standards
- 3.4.4 The meat for export must not contain residues of antibiotics, pesticides, hormones, heavy metals, radioactivity, and similar substances that may pose public health and environmental hazards.
- 3.4.5 The meat for export must bear the official inspection mark on the primary, secondary, and/or shipper packaging showing proof that the meat has been certified inspected, and passed by the CA in compliance with the national food regulation of the exporting country. The meat shall be packed in plastic packs and cartons printed with the date of slaughter, batch number, and other information as prescribed in Section VII of DA AO No. 26 s. 2005, and DA AO No. 24 s.2010.
- 3.4.6 The label:
 - 3.4.6.1 shall be in the form of a stamp or stick on the immediate container (if it is plastic lined) and also on the outer portion of the box;
 - 3.4.6.2 shall be rectangular in shape with the dimension of 3 inches width by 5 inches length (3x5);
 - 3.4.6.3 shall be printed in **BOLD** letters and with a font size of #18;
 - 3.4.6.4 shall not be easily defaceable by any solution;
 - 3.4.6.5 shall be written in English or Filipino.
 - 3.4.6.6 The packaging must meet the minimum labeling requirements prescribed by the Philippine National Standard (PNS)/BAFS Prepackaged Fresh Chilled and Frozen - Product Standard - labeling (<https://bafs.da.gov.ph/pns.php>) and as follows:
 - 3.4.6.6.a Cartons or the outermost shipper's package shall be stamped with **"FOR EXPORT TO THE PHILIPPINES"**;
 - 3.4.6.6.b. Registered trade name of the exporter or brand name of the product;
 - 3.4.6.6.c. Business name and address of exporter;
 - 3.4.6.6.d Meat establishment/slaughtering facility name, number, and address;
 - 3.4.6.6.e Country of origin;
 - 3.4.6.6.f. Lot identification code;
 - 3.4.6.6.g Product description;

- 3.4.6.6.h Net quantity of contents, in terms of weight, measure or numerical count rounded to the nearest tenths (expressed in METRIC SYSTEM);
 - 3.4.6.6.i Date of packaging/production;
 - 3.4.6.6.j Best before date or best quality before date;
 - 3.4.6.6.k Storage instructions.
- 3.4.7 The meat must be transported, ensuring the wholesomeness and condition of the products, by eliminating the possibility of/or entry/ introduction of contaminants and pests, and ensuring maintenance of product temperature requirement, eliminating thermal abuse. Sealed refrigerated/ freezer shipping containers must have passed the sanitary inspection and be certified by the CA for loading.
- 3.4.8 The CA of the exporting country must issue and submit an English version of the export health/veterinary certificate of wholesomeness to the Philippine National Veterinary Quarantine Service (NVQS) with the following information:
- a. Name of meat, type and number of packages/box, weight in total and standard weight per package/box if any, lot number
 - b. Date of slaughter and use-by-date
 - c. Name, address and establishment number
 - d. Container number and seal number attached to the container
 - e. Addresses and name of consignor and consignee
 - f. Date of issuance of the health/ veterinary certificate
 - g. Name, title and signature of authorized certifier, and his/her office
- 3.4.9 The CA shall first clear the export health/veterinary certificates (its declarations and conditions) with the Philippine Competent Veterinary Officer of the Bureau of Animal Industry, before the onset of trade and whenever there are amendments, and provide regular necessary updates.
- 3.4.10 All importations shall require SPS import clearance and are subject to applicable Philippine laws, rules, and regulations; as such, this Circular shall not automatically guarantee that **pork product** is allowed entry into the Philippines.
- 3.4.11 This Circular shall be governed by the provisions set in the following rules and regulations but not limited to: Republic Act No. 9296, "The Meat Inspection Code of the Philippines" and its Implementing Rules and Regulations; Republic Act No. 10536 for the Amendment to the Republic Act No. 9296; Administrative Order No. 16, Series of 2006 for "Pre -Border Measures for the Export of Meat and Meat Products to the Philippines; Administrative Order No. 26, Series of 2005 for "Revised Rules, Regulations, and Standards Governing the Importation of Meat and Meat Products into the Philippines" and Administrative Order No. 16, Series of 2021 for "Licensing Procedures for Meat Importer, Revising the Department of Agriculture Administrative Order No. 09, Series of 2013 Entitled

Republic of the Philippines
OFFICE OF THE SECRETARY
Elliptical Road, Diliman
1100 Quezon City

Supplemental Guidelines to DA-AO No. 26 of 2005, Section III: Accreditation Procedure for Meat Importers”.

Section 4. SUSPENSION CLAUSE

- 4.1 In case/ cases of non-compliance with the requirements and conditions of this Circular, and/or any non-conformance in the pre-border and border technical requirements of any shipment entering the Philippines, the Department of Agriculture through the Office of the Secretary reserves the right to suspend and/or refuse acceptance of any importation/imports of the meat and meat products.

So Ordered.
