The above personnel must perform the following duties and responsibilities without any additional compensation:

1. Conduct surveillance and monitoring of aquafeeds, veterinary drugs and products in their areas of responsibilities and collect feed samples for analysis;
2. Participate in planning, directing, and supervising national programs on aquafeeds, veterinary drugs and products control;
3. Assist in the registration, evaluation and inspection of establishments engaged in the manufacture, distribution, and sale of aquafeeds, drugs and products;
4. Conduct risk-based inspection of establishments engaged in the manufacture, distribution, and sale of aquafeeds, drugs and products for fish and fishery products for export;
5. Disseminate information and educate the aquaculture industry on the need of aquafeeds, veterinary drugs and products registration prior to their marketing and usage;
6. Conduct inspection and examination of shipment of aquafeeds, veterinary drugs and products at the point of entry prior to customs release;
7. Initiate, after a finding of contaminated feeds, actions on any violations on policies and guidelines on the registration, manufacture, distribution and usage of aquatic animals, feeds, drugs, and products;
8. Submit annual reports on the program implementation to BFAR and BAI.

For purposes of ensuring continuity of service, any deputized AAFVDAPCO as determined by the BFAR Director shall assist in the conduct of feed mill inspection and audit of the quality management systems in other regions.

This ORDER shall take effect immediately and shall remain in force until revoked in writing. All orders, memoranda, and issuances inconsistent herewith are deemed revoked.

Done this 5th day of June 2023.

DOMINGO F. PANGANIBAN
Senior Undersecretary
